Childcare Information

Visit Bright Futures Childcare Information System (www.brightfutures.dcf.state.vt.us/) through the Vermont Department for Children and Families Child Development Division.

This site allows parents to search for licensed daycare centers as well as registered home daycares by the daycare name, or by town. The site gives location information, a contact person, the type of building the center occupies, the capacity of the building, as well as accreditation and achievements, and the type of care that center provides. Also listed are the hours of operation, and whether they offer full and/or part time care. Once a center or home daycare is clicked on, the site then allows the searcher to choose to view any violations that center has by clicking on “View Regulatory History” at the bottom of the page. It is important to note that not every center or home daycare in the state has been visited or evaluated by a professional, and therefore may have violations that are not listed on this website. When choosing a daycare, it is always best to visit the center while children are present and to ask many questions.

For further information or assistance finding childcare visit www.childcareresource.org or contact Child Care Resource at: 300 Cornerstone Drive Suite 128, Williston VT, 05495 Phone: 802.863.3367

Childcare Fee Assistance

MCCYN is a fee assistance program that keeps affordable childcare in reach for eligible families. It’s intended for families who cannot access military-operated care due to distance or waitlists. Visit [MCCYN Air Force](#) | [MCC Central](#) to learn more.

Vermont Child Care Financial Assistance Program can possibly help pay for childcare. Visit [Child Care Financial Assistance](#) | [Department for Children and Families](#) to learn more.

Childcare Service for VTANG Drill Weekends

The 158FW is in the process of working with a local daycare center to offer childcare services during drill weekends. This section will be updated once that option is available.
