

# JOINT ENLISTMENT ENHANCEMENT PROGRAM

EFFECTIVE  
15 OCT 2020

## WHAT IS IT?

A Vermont State program to incentivize non-Recruiters to become a JEEP Lead Generator by supporting the enlistment / accession of Airmen or Soldiers into the Vermont National Guard.

A **\$500** payment will be awarded to the JEEP Lead Generator for any non-prior service, prior service\*, or officer accession. The JEEP Lead Generator must provide the lead and be available to the prospect from initial contact through the enlistment process up to the beginning of initial entry training.

## WHO'S ELIGIBLE?

- VT National Guard Airmen and Soldiers
- Military retirees of any branch or component
- Federal civilian employees of the VT National Guard
- Members of the State Guard of Vermont

### Non-Eligible Members Include:

- Any Airman, Soldier, retiree or civilian employee whose primary duty is recruiting (to include ADOS) or duty is with a Junior or Senior ROTC
- Any currently serving member in the grade O5 or above
- Immediate family member of any individual in the groups listed above

## HOW DO I START?

Talk to any Vermont Air National Guard recruiter about how to participate, or email [158.fw.recruiting.org@us.af.mil](mailto:158.fw.recruiting.org@us.af.mil) with any questions you have about getting started.
